About Défi Canderel

Since 1989, Défi Canderel has raised over \$30 million to advance transformational cancer research. What began as a Montreal-based initiative has grown into a national movement, expanding in 2024 to include fundraising events across Canderel offices in Quebec City, Ottawa, Toronto, Calgary, Edmonton, and Vancouver.

Through corporate fundraisers and community-driven events, we fuel innovation, accelerate life-saving discoveries, and support leading cancer research centres across Canada. By sponsoring Défi Canderel, your organization gains more than visibility. You join a network of industry leaders committed to making a difference. Your support demonstrates corporate social responsibility, strengthens your brand, and helps deliver hope, progress, and impacts countless lives.
